GARDAWORLD Careers

On call - Surveillance Security Guard

Reference	1453732600
Work locations	Salisbury (New Brunswick, Canada)
Published	November 25, 2026

The role of a Surveillance Security Guard

In a high-security environment, this role is designed for professionals who can assess situations, predict risks and act with sound judgment and assurance.

Experience or education in law enforcement, police, corrections, mental crisis or other specialized settings is an important asset. It is essential to identify details, be able to document observations effectively, comply with safety protocols, and be able to work under pressure.

This is an opportunity to come with a start date scheduled for the summer of 2027. You are invited to apply now!

Pay and benefits

- Development of transferable institutional security and procedural compliance skills, supporting long-term growth in law enforcement and specialized security careers.
- Competitive compensation starting at $25/h, up to $30/h after probation, plus benefits.
- Ongoing training through the GardaWorld Campus, including incident response and risk management at no cost.
- A uniform is supplied free of charge.
- Health benefits are maintained 24 hours a day

Duties and responsibilities · Surveillance Security Guard

- Provide continuous surveillance of persons in a controlled environment.
- Perform wellness checks at 15 minutes intervals, in line with safety standards and procedures.
- Identify and report situations at risk or medical concerns.
- Respond professionally, calmly and in line with sensitive situations.
- Accurately complete official documentation and compliance reports.

Qualifications · Surveillance Security Guard

- Qualify for a Federal Enhanced Reliability Security Clearance and keep it valid.
- Provide a clear criminal record check that includes a vulnerable sector check.
- CPR / First Aid Level C certification
- Background in law enforcement, police services, corrections, or care for vulnerable persons is an asset.
- Professionalism, discipline, integrity and ability to perform under pressure.
- mastery with Microsoft 365 and computer systems.
