Bridge Patrol

Reference	1327011700
Work locations	Halifax (Nova Scotia, Canada)
Published	November 12, 2026

Location

HALIFAX HARBOUR BRIDGES, NS

The role of a Bridge Patrol

As a bridge patrol officer, you will play an important role in ensuring the safety of one of Halifax's most important transportation routes. It is a very visible position where professionalism, communication, sound judgment and attention to detail are just as important as the safety experience.

You patrol assigned areas, monitor security and safety concerns, interact with the public and site staff, and respond calmly and professionally when situations arise.

If you are someone who is an observer, confident, reliable and comfortable to make decisions independently, it is an opportunity to create a valuable experience while making a significant contribution to the community.

Pay and benefits

- Competitive hourly salary of $20.76
- Full-time employment opportunities
- Flexible schedule with a variety of available positions
- A uniform is supplied free of charge.
- Continuing training by GardaWorld Academy, with training costs covered
- Opportunities for professional growth within GardaWorld
- Opportunities to develop your skills and advance within the security industry

Duties and responsibilities · Bridge Patrol

As a bridge patrol officer, you will oversee maintaining a safe and secure environment through proactive patrols, surveillance, incident response and law enforcement activities.

Key Responsibilities

- Carry out regular patrols of assigned bridges, surrounding areas and designated sites
- Monitor security systems, alarms, cameras and other equipment for suspicious activities or security issues
- Rapid response to alarms, incidents, emergencies and potential security threats
- Acting as the first responder and taking appropriate action until emergency services arrive
- Apply speed and issue tickets as authorized
- Enforcement of regulations and control access to restricted areas
- Check the identity of visitors and ensure that only authorized persons have access to secure areas
- Prepare clear, accurate and detailed incident and activity reports
- Document suspicious activities, safety concerns, accidents and other significant events
- Applying professional de-escalation techniques to cope with difficult situations
- Communicate and coordinate effectively with Police, Fire, EHS, and other emergency services
- Perform court-related duties and provide information or testimony when required
- Wear the necessary PPE including hard hat, safety boots and other protective equipment

- Work safely in various extreme weather conditions, including sun, rain, snow, severe winds and extreme temperatures
- Identify and report site failures, vulnerabilities or other concerns
- Project a professional and visible presence while interacting with employees, contractors, visitors and the public
- Maintain eligibility for the peace officer and complete all required training

Qualifications · Bridge Patrol

We look for people who are professional, observant, reliable and comfortable working independently.

- Legally authorized to work in Canada
- Ability to obtain a security guard licence
- Valid First Aid Certification
- Strong written communication and reporting capacity
- Excellent observation capacity and attention to detail
- Ability to remain calm, focused and alert throughout the shift
- Strong communication and interpersonal skills
- Comfortable interaction with employees, contractors, visitors and members of the public
- Comfortable with computers, mobile devices and security technologies
- Ability to assess situations and make sound decisions
- Be able to work on your own while working effectively with emergency services and team members
- Professional approach to customer service
- Willingness to learn and develop new skills
- Continental rotating schedule
- 2 consecutive shifts of day followed by 2 consecutive shifts of night
- 12-hour shifts
- Must be flexible to work days, nights, weekends and holidays
