Traffic Control

Reference	1410211400
Work locations	St. John's (Newfoundland, Canada)
Published	November 24, 2026

Location

Robinhood Bay Waste Managemnt Facility

St. John's, NL

The role of a Traffic Control

What matters most in this role is your ability to read the environment, predict potential risks and act accordingly. Your strong observation skills, judgment and professional communication are essential to maintaining a safe and secure site.

As a traffic control person with Gardaworld, physical capacity is important, as you will be on your feet and moving throughout your shift. You will oversee controlling vehicle and pedestrian traffic, monitoring access points and maintaining safety in an active industrial environment.

Pay and benefits

- Hourly wage of $18.00
- Full-time position with benefits
- Monday to Saturday (8 AM - 5PM)
- A uniform is supplied free of charge.

Duties and responsibilities · Traffic Control

Primary Duties

- Control traffic flow using signs, flags, hand signals or communication devices.
- Ensure the safety of workers, pedestrians and motorists in and around the work area.
- Implement and remove traffic control devices (cons, barrels, barricades, signs) according to approved plans.
- Communicate clearly with drivers, pedestrians and equipment operators.
- Maintain visibility and alertness at all times; remain in a safe position.
- Follow the traffic control plans and applicable laws, regulations and standards.
- Coordinate with other TCPs to manage alternate or multi-directional traffic.
- Monitor site conditions (temperature, visibility, congestion) and adjust controls when needed.
- Respond to emergencies by stopping traffic and alerting supervisors or emergency services.
- Document incidents or near incidents and report hazards.

Safety & Compliance Responsibilities

- Wear the required PPE (high visibility vest, hard hat, safety boots, eye/ear protection).
- Conduct pre-team checks of signage and equipment.
- Apply speed reductions and safe crossings for pedestrians and cyclists.
- Provide access to emergency vehicles at all times.

Professional Conduct

- Stay calm, courteous and firm with the public
- Avoid distractions; no use of the phone while controlling traffic
- Follow company policies and local/professional safety regulations

Qualifications · Traffic Control

- Have legal authorization to work in Canada.
- Hold a valid Traffic Control Certificate - (Required)
- Class 5 driver's licence
- First Aid Certificate - Required
- Reliable access to a personal vehicle for travel to and from the workplace

GardaWorld offers a path to a long-term career for people who take initiative and want to become GardaWorld Ambassadors.
