Truro Police- Surveillance Security Guard

Reference	1435097900
Work locations	Pictou (Nova Scotia, Canada)
Published	November 26, 2026

The role of a Surveillance Security Guard

What matters most in a role like this is your keen eye and your ability to capture every detail by monitoring multiple screens and activities. Your observation skills and attention to detail will be your greatest strength.

As a security guard, you will play a key role in identifying potential threats and unusual activities before they get worse. You can work in environments such as security operations centres, call centres, construction sites, parking lots, guardhouses and other places sensitive to security.

Your ability to stay focused, recognize changes in activities, document observations accurately, and communicate your concerns quickly will help maintain a safe environment.
