Mobile Security Guard - FSJ

Reference	1446847700
Work locations	Fort St. John (British Columbia, Canada)
Published	November 2, 2026

The role of a Camp Security Guard

Do you have a keen eye for detail and a strong awareness of the situation?. As a camp security professional, you will help drive protecting construction equipment, vehicles and project assets in a remote camp environment.

You will conduct mobile patrols on designated sites and roads, monitor equipment to identify potential security risks, document property condition through photographs and reports, and help prevent theft, vandalism, and unauthorized access. This role requires a high level of independence, professionalism and attention to detail while operating a corporate vehicle throughout the shift.

If you like to work on the ground, stay alert and be the first line of defense against security threats, this opportunity is for you.

Pay and benefits

- Hourly wage of $24
- Schedule: Full-time or Part-time contract position, working 12-hour overnight shifts (6:00 PM to 6:00 AM) in a remote construction environment, with accommodations provided and the possibility of a contract extension.
- We will invest in you, covering the costs of continuing training through GardaWorld Academy
- Opportunities to advance within GardaWorld.
- A uniform is supplied free of charge.
- A supportive team environment where your safety and well-being are a top priority
- Employee recognition programs to reqard your hard work and dedication
