CBC - Radio Canada- Security Guard

Reference	1453502500
Work locations	Halifax (Nova Scotia, Canada)
Published	November 24, 2026

The role of a Tactical Security Guard

To succeed in this role, you need to be able to assess your environment, identify potential risks, anticipate safety concerns and respond appropriately. Strong observation skills, sound judgment, situational awareness and excellent interpersonal skills are essential.

As a Tactical Security Guard, you must be physically fit and comfortable in being active throughout your shift. The role is to carry out regular foot patrols, monitor different environments and maintain a visible safety presence in places such as retail stores, airports and security facilities.

We are looking for people who are alert, proactive, physically capable and committed to maintaining a safe environment.

Pay and benefits

- Competitive Compensation: $18.00 per hour.
- Training and education: access to vocational development and continuing training opportunities through the GardaWorld Academy, with the cost of training covered.
- Flexible Scheduling: Varying shifts to accommodate different availability.
- Career Growth: Opportunities for professional development and career advancement within GardaWorld.
- Future Opportunities: Access to other full-time and part-time career opportunities within GardaWorld.
- Uniform provided: Uniform provided to employees free of charge.
