Ready to work in a Health Care Security Operation Centre?

This is a key role in a fast and highly visible team that plays an important role in maintaining a safe and secure hospital environment. We are looking for candidates with strong problem-solving skills, excellent situational knowledge and good decision-making skills.

Pay and benefits

- Hourly wage of $30.22 once training is complete
- We invest in you by covering the cost of continuing training through the GardaWorld Academy
- Permanent positions
- Career opportunities at GardaWorld
- Uniforms provided free of charge

Responsibilities in a Health Care Security Operation Centre

- Oversee daily security operations within the healthcare environment
- Ensuring the safety of patients, visitors to hospital staff and property
- Provides direction, direction and supervision of security personnel
- respond to incidents, emergencies and operational problems, when needed
- Ensure compliance with hospital safety policies, procedures and protocols
- Maintain effective communication with health care teams, management and safety personnel
- Completing required reports, documentation and administrative functions
- Demonstrate and promote the fundamental values of compassion, respect, dignity, inclusion, partnership, excellence and innovation in health care through day-to-day leadership, decision-making and interactions with patients, staff and visitors
