Corporate Security Guard - Part Time

Reference	1453939000
Work locations	Vancouver (British Columbia, Canada)
Published	November 25, 2026

The role of a Corporate Security Guard

At GardaWorld, we don't just protect people, places and businesses, we create opportunities for people to build meaningful and rewarding careers.

As a global leader in security, technology and risk management, our mission is simple: making the world a safer place. Every day, our corporate security guards play a vital role in bringing this mission to life by protecting people, protecting property and maintaining safe business operations.

But a career with GardaWorld doesn't have to stop at the front line. We believe in promoting the interior, recognizing the potential and training future leaders. Several supervisors, managers and business leaders today have begun their career as front-line employees, developing their skills and going to new opportunities across Canada.

Duties and responsibilities · Corporate Security Guard

As a security guard, you will play a vital role in creating a safe, secure and welcoming environment for employees, visitors and tenants. You will be a first professional and accessible contact point, offering exceptional customer service while maintaining a visible security presence. By welcoming visitors and managing access to the building, conducting patrols, monitoring activities and addressing security concerns, you will help ensure the safe, harmonious and professional operation of the building.

- Welcoming employees, tenants and visitors while providing exceptional customer service and maintaining a professional environment.
- Manage access to buildings, check references and ensure that only authorized persons enter the building.
- Maintain a visible and professional safety presence to promote safety and deter unauthorized activities.
- Carry out regular asset patrols, identifying and addressing potential security risks, safety concerns and irregularities.
- Monitor CCTV, alarm systems and other security equipment to maintain awareness of site activities.
- Respond quickly and professionally to incidents, emergencies and security issues, according to established procedures.
- Develop positive working relationships with building management, tenants, employees and visitors through effective communication and support.
- Prepare specific incident reports, daily activity logs and other required documents.
- Support the safe and effective operation of the property by identifying safety concerns and communicating recommendations to management.
- Represent GardaWorld with integrity, professionalism and commitment to creating a safe and welcoming environment.

Qualifications · Corporate Security Guard

- Authorized to work in Canada
- Valid BC Security Guard Licence.
- Valid Basic First Aid / OFA 1
- Strong communication, interpersonal and customer service skills, with the ability to build trust and defuse situations.
- Adaptable and resilient, with the flexibility to meet changing priorities and operational needs.
- Experience in security, surveillance, access control and customer service.
- Dependable, professional and committed to protecting people, property and communities.
- Physically able to stand, walk and remain active throughout your shift.

About Us

Founded in Montreal in 1995, GardaWorld began by establishing a strong local presence before expanding to all provinces and becoming a global organization operating in more than 40 countries around the world.

Despite our international footprint, we remain proudly Canadian, with over 30,000 employees in Canada and at our headquarters still based in Montreal. More than just building careers, we develop ambassadors who represent our values every day.
