Industrial Security Guard

Reference	1454030600
Work locations	Vancouver (British Columbia, Canada)
Published	November 26, 2026

The role of an Industrial Security Guard

What matters most in this role is your strong awareness of the situation, your attention to detail and your ability to identify potential security concerns before they get worse. Your compliance skills and proactive approach will help maintain a safe and secure environment in active industrial property.

As an industrial security guard, you will help with protecting property through regular foot patrols, monitoring designated areas, detecting suspicious activities and responding to security concerns. You will maintain a visible security presence, help prevent unauthorized access, and ensure that on-site operations remain safe.

Pay and benefits

- Hourly wage of $18.25
- We will invest in you, covering the costs of continuing training through GardaWorld Academy
- Permanent part-time schedule / Saturday - Sunday from 8am to 4pm
- Opportunities to advance within GardaWorld.
- A uniform is supplied free of charge.
