GARDAWORLD Careers

Surveillance Security Guard

Reference	1454055300
Work locations	Moncton (New Brunswick, Canada)
Published	November 26, 2026

The role of a Surveillance Security Guard

In this context of high security, the role is designed for professionals who can assess situations, anticipate risks and react with sound judgment, professionalism and calm.

Experience or education in law enforcement, police, corrections, mental crisis or other specialized settings is an important asset. It is essential to identify details, be able to document observations effectively, comply with safety protocols, and be able to work under pressure.

Pay and benefits

- Development of transferable institutional security and procedural compliance skills, supporting long-term growth in law enforcement and specialized security careers.
- Competitive compensation starting at $25/h plus employee benefits.
- Rotation schedule with day rotation and night rotation.
- Full-time and occasional opportunities available
- Ongoing training through the GardaWorld Campus, including incident response and risk management at no cost.
- A uniform is supplied free of charge.
- Health benefits are maintained 24 hours a day.

Duties and responsibilities · Surveillance Security Guard

- Provide continuous surveillance of persons in a controlled environment.
- Perform wellness checks at 15 minutes intervals, in line with safety standards and procedures.
- Identify and report situations at risk or medical concerns.
- Respond professionally, calmly and in line with sensitive situations.
- Accurately complete official documentation and compliance reports.

Qualifications · Surveillance Security Guard

- Qualify for a Federal Enhanced Reliability Security Clearance and keep it valid.
- CPR / First Aid Level C certification.
- Ability to obtain a recent Vulnerable Sector Check (VS Check).
- Background in law enforcement, police services, corrections, or care for vulnerable persons is an asset.
- Professionalism, discipline, integrity and ability to perform under pressure.
- Competency with Microsoft 365 and IT systems.
- Ability to perform administrative tasks, keep accurate records, and prepare clear and detailed incident and activity reports.
- Strong written communication skills and attention to detail, particularly when writing reports and administrative documents.
