Embark on a rewarding career with Sobeys Inc., celebrated among Canada’s Top 100 employers, where your talents contribute to our commitment to excellence and community impact.

Our national pharmacy team is proudly Canadian, with pharmacies from coast to coast in our various banners. Depending on your province you would recognize us as Sobeys, Safeway, Thrifty Foods, Foodland, Lawtons Drugs or FreshCo.

Ready to start fresh?

We are passionate about promoting the health and well-being of individuals and families in our communities.

You’ll be part of our pharmacy team, which is committed to providing exceptional patient-centered care and exceeding patients’ expectations. We are looking for friendly, knowledgeable, and professional individuals to join our team who will make meeting the health needs of our patients their top priority.

Here’s where you’ll have an impact:

- Demonstrate warmth, empathy, and compassion while acting in the patient’s best interest to achieve excellence in patient-centered care, customer service, workflow efficiencies, and professional clinical services (e.g., disease state management, medication reviews, adherence, health risk assessments, injections/vaccines).
- Provide patient counseling and education for new therapies to patients and caregivers, tailoring the approach to the needs and concerns of the patient (e.g., literacy, hearing loss, privacy).
- Initiate care plans, follow up, and complete proper documentation.
- Participate in professional programs and collaborate with colleagues to provide excellence in health and wellness services to all patients.
- Actively engage in all areas of Fusion to ensure patients experience seamless care and a consistent pharmacy experience across locations.
- Ensure prescription safety by prioritizing technical functions and delegating tasks to Pharmacy Registered Technicians and Assistants as required.
- Thoroughly understand all relevant corporate pharmacy service offerings and programs, providing each customer/patient with the program that best meets their health care needs.
- Maintain current knowledge of pharmacy practice, regulatory requirements, and industry trends/developments; attend training as required.
- Adhere to all regulatory requirements, company policies, processes, and procedures (e.g., OHS, Loss Prevention, CQI).

What you bring to the table:

- Bachelor of Science in Pharmacy from a recognized institution.
- Licensed Pharmacist in good standing in the province of responsibility.
- Injection and First Aid Certification.
- Kroll software experience is preferred.
