At XTL Transport in Surrey, we understand that being on the road and away from family can be challenging. That’s why we focus on providing a comfortable, consistent, and supportive working environment with generous pay, weekly direct deposit, and a strong work–life balance. With the rising cost of living in BC, we ensure our drivers are paid weekly—no more waiting for delayed paycheques.

We operate newer international trucks supported by our in-house shop and on-site mobile service, keeping downtime to a minimum.

All highway and city loads involve 53' dry and reefer trailers delivered within BC only to Costco warehouses in Kamloops, Kelowna, Prince George, and the Lower Mainland. All deliveries are pin-to-pin drop switches or live unloads—no hand bombing, no tarping, no strapping, no heavy labour.
