The position

RBC Capital Markets is a part of the Royal Bank of Canada, one of the largest providers of financial services in the world with a purpose-driven, principles-led approach to delivering for our clients. RBC is a top ten bank globally and ranks among the top five banks in North America by market capitalization. In addition, RBC has one of the highest credit ratings of any financial institution globally.

Our Investment Banking division is a well-established 10 global investment bank in the largest and most mature financial markets in North America, Europe and Asia-Pacific regions.

Our Investment Banking division provides underwriting of equity and debt capital along with strategic M&A advisory services for leading corporations, institutions, and governments throughout North America and around the world. We have built our successful investment banking business by focusing on our clients and the industry sectors in which they operate.

RBC Capital Markets Global Investment Banking division is seeking a Vice President to join the Syndicated and Leveraged Finance (“SLF”) team in Toronto. The SLF team works collaboratively with colleagues across the Investment Bank in Canada, the U.S. and globally to support the financing of various types of transactions.

This position is a unique opportunity to expand your financial expertise, deepen your understanding of the various credit markets and gain exposure to global financial markets.

Responsibilities

- Lead financial analysis and due diligence in the context of credit-related financing transactions (including LPOs)
- Train, mentor and supervise junior team members on daily deliverables
- Interpreting and synthesizing the credit market themes relevant to RBC corporate and financial sponsor clients for the benefit of a client or trading team
- Take over the execution of syndicated loans to support mergers and acquisitions, long-term loans, projects and general business purposes
- Help with the preparation of pitch submissions and notices, responses to RFPs and other ad hoc market studies
- Review and contribute to marketing and other documentation related to credit-related financing transactions, including lenders' presentations
- Collaborate with colleagues from all companies and product groups and investment banking coverage to offer holistic financing solutions

- Establish working relationships with banking investors and other market players to collect market information and optimize transaction execution

Qualifications

- At least 5 years of experience in the fields of investment banking, leveraged finance, equity, equity research, enterprise development or accounting
- Direct trade unions have experience in conducting transactions in the market considered a strong attribute
- The structuring experience and/or financing of market projects by banks are considered highly desirable
- University degree, preferably in business/commerce, economics, STEM, or other relevant disciplines
- A desire to learn and a team-oriented mentality
- Demonstrated superior track record in academic and professional endeavors
- Clear interest in banking and financial investment markets and basic knowledge of market structure and topics
- Strong IT skills, including high skill with Microsoft Excel and PowerPoint
- Quantitative, analytical and financial modelling skills
- Adept written and verbal communication and data visualization skills
- Ability to work well under pressure with multiple deadlines while maintaining particular attention to detail
- Flexibility in schedule to meet client deadlines
- Want to develop a set of leadership skills and make a significant contribution in a fast-paced team environment
- CFA, CPA, civil engineering or other relevant professional designations are considered property, but not as a requirement

Pay and benefits

We thrive on the challenge to be our best, think progressively, continue our growth, and deliver trusted advice to help our clients thrive and communities prosper. We care about each other, reaching our individual / collective potential, making a difference to our communities, and achieving success that is mutual.

From this opportunity you will gain

- A comprehensive total premium program including flexible premiums and benefits, competitive pay
- Managers who coach employees and help them find opportunities to develop.
- Opportunities to do challenging work
- Flexible work/life balance options
- Experience working in a dynamic, collaborative and successful team at Investment Bank #1 in Canada
- Exposure to gains and overview of global capital markets
- A thorough understanding of the various credit markets, including the Bank's market, the US Term B loan and high-yield markets
- Developing core investment banking skills, such as financial modelling and analysis, transaction execution and negotiation, and in-depth knowledge of industry and products
- Work directly with senior executives of the largest and most dynamic Canadian companies
- Ability to make a difference through transactions that help shape an industry
- Peers who will help you develop a network and build long-term relationships
- Leadership skills acquired through mentoring and mentoring junior team members
- An appreciation for the importance of giving back your community as part of the many initiatives of RBC's Celebration of Impact
- Future opportunities to work in other global offices

**Application Process

Submit your cover letter, curriculum vitae and academic transcripts in a PDF document under the "Resume" section of the online portal before the application deadline. Please note that applications will be reviewed as they are received, and potential applicants may be contacted by the deadline.
